

A New Year, A Big Milestone

As we step into the New Year, we want to take a moment to celebrate something incredible.

This past year, we officially reached over **2,000 clients**, a milestone we never would have hit without the trust and support of our community. Every project, conversation, and partnership helped get us here, and we're truly grateful.

Thank you for being part of our journey. We can't wait to show you what's next!

Meet JenKuo!

JenKuo relies on the Travelers Aid as an essential support due to his vision impairment. He shared, "Because of my vision problems, I can't drive, and since my wife and I don't have a car, this program has been essential for us," explaining that it helps them get to medical appointments, the pharmacy, and handle daily errands "without stress."

He also noted that the rides are dependable and kind, adding that "it gives us peace of mind knowing we can get where we need to go safely," and expressed gratitude that Travelers Aid "has made our lives much easier."

Your GivingTuesday Generosity Made an Impact!

Our team at Travelers Aid Society would like to extend a big **THANK YOU** to everyone who gave on GivingTuesday!

Thanks to you, we raised **\$1,500** in funds that will go directly toward supporting our *Journey To Safety* program. Your kindness helps ensure that those who need it most receive safety, support, and dignity.

If you missed GivingTuesday or feel inspired to keep the momentum going, you can always make a contribution [here](#).

Senior Solutions for SD Promise Zone Residents

Through this program, we are able to issue day passes, monthly passes, and MTS Access vouchers for those living in the San Diego Promise Zone (housed or unhoused). They must be immunocompromised, extremely low-income, and must have documentation of their medical or housing appointments to which they need transportation.
